

Subject: Mathematics

Lesson Title: Who Scored the Most Touchdowns?

Goals/Objectives:

- Divide multi-digit numbers
- Multiply multi-digit numbers

National Standards met: Mathematics: Numbers and Operations; Problem Solving; and Connections

Methods/Procedures:

- Teacher will review with students how to do multi-digit division and multiplication. The class can do some examples together as a class.
- Before doing the activity, class will discuss football and how many points touchdowns are worth (6 points). They can also discuss how many kids play football and how many touchdowns they usually get.
- Students can work as a class, with partners, or individually to complete the worksheet.

Materials:

- Multiplication worksheet, division worksheet, and/or mixed worksheet
- Pencil

Assessment:

- Problems done as a class
- Worksheet
- Pencil
