LAMAR HUNT SUPER BOWL GALLERY

COMMITMENT – “ALL in ALL the time”

The Super Bowl. The Big Game. The NFL Season is a grind for each and every team, showing how important COMMITMENT is to each player and team. Stars like Joe Namath, Lynn Swann (1981 Walter Payton Man of the Year Award Winner) and Russell Wilson have all shined in the NFL's Biggest Game and each of them were COMMITTED to helping their team become champions.

13. There are many times in Super Bowl History where one team is heavily favored. This was the case during Super Bowl XLII where the New England Patriots were favored to win. The New York Giants upset the Patriots thanks to Quarterback Eli Manning and the EXCELLENT “Helmet Catch” made by who? (Hint: His helmet is on display)

INTEGRITY – “Doing RIGHT even when hard”

Since the birth of Pro Football in 1892, there have been Pro Football players who have been shown INTEGRITY on and off the field. In the 1940s, the NFL lost many of their players to World War II. These men left to go fight for their country – one of the highest levels of honor and displays of INTEGRITY somebody can show.

2. This award is given to a current NFL Player and recognizes him for his EXCELLENCE on and off the field. It is named after this Hall of Fame Running Back, who in 1984 passed Jim Brown as the Game's All-Time leading rusher.

COURAGE – "CHARACTER and PERSEVERANCE over fear and adversity"

Being able to do something that people thought you couldn't do or that you were scared to do has driven athletes to be the best. From the first game in Pro Football to Hall of Famers like Marion Motley, Bill Willis, Bobby Mitchell and Jim Brown – all have thrived when faced with adversity – had COURAGE to break down barriers in the Game of Pro Football.

3. It took COURAGE for the Pioneers of the Game to start the NFL back in 1920. What date was the first game between two NFL Teams played and who were the two teams that played in that game?
